

Soroptimists Hear Interesting Food Lecture

Frances Meyer of the Lake-wood-Atlantic Soroptimist club demonstrated to the Torrance-Gardena Soroptimists and their guests on April 8 how many simple ways there are to make foods into various tasty and attractive dishes with a minimum of effort. She passed around samples of salads, dips, cake and cookies during the demonstration.

Guests present were Tessa Burke, Esther Keithe, Mary Ann Chapman, Beverly McCorkle, Alleene Moore, Fran Drule, Barbara Butler, Serena Yudel, Helene Scott, Bernice Moshos, Sally Evans, Kathryn M. Kelly, Grace Osborne, Shirley Berren, Violette, Naylor, Agnes Larsen and Kay Lynch.

At the March 25 evening meeting of the club, a delicious dinner was served at the home of Mary Pagac, who was hostess with Helen Parrish. Mary Ann Wallenberg, the club's scholarship girl for two years, showed pictures of her recent trip to Europe.

The regional conference will be held April 12, 13, and 14 in San Diego at the U. S. Grant hotel. Attending will be Margaret Neff, club president; Edna Walther, LaVilla McMillen, and Helen Rodgers also plans on attending.

Woody plant

Lavender is a slightly woody plant of the mint family, native to Mediterranean countries and extensively cultivated in flower gardens.
